RE: First Quarter FY'95

Dear Mr. Vigil:

Enclosed are Quarterly Reports for the First quarter of FY'95 for our various Cooperative Agreements.

The computerized State accounting system was changed on July 1, 1994. Many State agencies, including DERR, have encountered some difficulties with the new system. As a result, the budget tables we are providing with this report may not be completely accurate. As the problems with the new accounting system are resolved we may make adjustments to these tables to ensure that they are accurate. We anticipate that the problems with the accounting system will be resolved in the near future.

If you have any questions or comments, please call Brad Johnson at (801) 536-4100 if you have any questions.

Sincerely,

Kent P. Gray, Director
Division of Environmental Response and Remediation

G. Midvale Slag OU1 & OU2 (Support Agency)

1. UDEQ, with assistance from it's contractor Weston, drafted the ROD for OU1 and submitted it to EPA for review on October 4, 1994. The State and Weston have expended a considerable amount of time and effort in responding to comments made on the ROD and summarizing these comments in the Responsiveness Summary. The ROD should be finalized by the end of February 1995.
2. UDEQ has participated in several meetings with EPA/Sverdrup (EPA's contractor for OU2) and the city of Midvale to discuss OU2 removal alternatives and future land development on OU1 and OU2 (e.g., Jordan River Boulevard Road Project).
3. UDEQ has participated in numerous meetings with EPA to discuss Butterfield Lumber's potential liability for partial remediation of OU2 that involves Butterfield Lumber property.
